Rs 1750 Orch Mkt
~~1250~~ Pavement

If permitted the foundation stone of the Harijan Sweepers colony will be arranged to be laid by Mahatmaji himself and also any one of these new works may be named after the distinguished visitor which will however depend entirely on the views of Government I am sure the Council will act in accordance with any suggestion that I may give them in the matter.

The matter may kindly be treated as immediate and I may be permitted to start preliminary work in furtherance of the above works anticipating the above grant from Government

I may add for favour of your kind information, that a sum of Rs.7,000/- is learnt to be available with the Director of Health being the unspent grant and his reserve from lapses

I may assure you that we shall spare no endeavour to make the best and most economic use of the grant that the Government may be pleased to give
